

# EKLAVYA DENTAL COLLEGE & HOSPITAL

📍 Kota, Rajasthan, 1998

---

## About

One of the reputable private dental colleges in Rajasthan is Eklavya Dental College & Hospital Kotputli. The institution was established in 2005–2006 and is often known as Eklavya Dental College Kotputli. The Dental Council of India has given the college its approval and the college is associated with the Rajasthan University of Health Sciences (DCI).

To provide students with the greatest oral and maxillofacial surgery as well as dental treatment, Eklavya Dental College Kotputli was founded.

### Courses Offered

Some top-notch programmes are provided by the Eklavya Dental College & Hospital Kotputli, which is run by highly qualified faculty members. Students can apply based on the courses they are enrolled in. The College is renowned for its five-year six month undergraduate medical programmes and three-year postgraduate medical programmes.

### [BDS](#)

- Duration: **4.6+1 years (4.6 years academics + 1 years internship)**

**Admission through NEET.**

**Fees for courses (Annual) - 2,75,000/-**

### Academic staff

The faculty at this college is well-educated, well-trained, and equipped with contemporary technology. Additionally, there are enough non-technical staff members available to foster an environment where students can learn on their own.

They are accountable for maintaining and raising the calibre of medical education at EDCH Kotputli as faculty members. The following policies, which are applicable, are followed by all campus faculty: Help students develop more logical and sensible ways to approach the subject being taught.

- encourage effective resource utilisation
- to serve as the centre of attention for quality control, including audit
- To draw attention to the flaws in the material already available and suggest relevant future research
