

DASWANI DENTAL COLLEGE & RESEARCH CENTRE

📍 Kota, Rajasthan, 2008

About

Daswani Dental College & Research Centre (DDCRC), Kota, is one of the prominent private dental institutions in Rajasthan. Established in 2008 by Aadarsh Pragya Vidya Mandir Samiti, the college was founded with the vision of providing quality dental education, advanced clinical training, and research opportunities for aspiring dental professionals. The institution is affiliated with the Rajasthan University of Health Sciences (RUHS), Jaipur, and is recognized by the National Dental Commission (formerly Dental Council of India).

Located in the RIICO Institutional Area, Ranpur, Kota, the college offers a modern academic environment with well-equipped laboratories, pre-clinical departments, digital learning facilities, a comprehensive library, and hostel accommodations. The campus is supported by an attached dental hospital and Daswani General Hospital, providing students with extensive clinical exposure and hands-on patient care experience.
