📍 Bangalore, Karnataka,

---

## About

Ramakrishna Ayurvedic Medical College, Hospital & Research centre was started in 1999. Institute is determined to impart training to students in basic principles & philosophy of Ayurveda, integrating the modern scientific advances for providing better hospital care to the masses & the society as a whole. Training involves advanced academics & extracurricular activities to make them best physicians and responsible citizens. The college is located within the city limits, 3 Kms from Yelahanka railway station and Bus Stand, in serene atmosphere which is very conducive for studies. The campus has well stocked library, reading room & indoor auditorium. A herbal garden with more than 250 medicinal plants is available for demonstration. The College has a collection of over 200 wet specimens of rare plants in the pharmacology museum. The College has ample space for administrative office, class rooms, teaching and clinical departments, dissection theatre, laboratory, museum, practical hall and student rest room. Departments are spacious & equipped with state of art modern teaching aids, laboratories, museum and practical halls. Modern gadgetry like OHP, LCD projects etc are used in the class rooms. Digital CCTV helps to oversee the activities in the college & Hospital. Regular Yoga classes are conducted as part of curriculum. Additionally, spoken English classes are arranged for the students to improve their communication skills and fluency in English.
