

Hillside Ayurvedic Medical College And Hospital

📍 Bangalore, Karnataka, 2014

About

Hillside Ayurveda Medical College and Hospital is one of the most prestigious colleges in the Ayurveda field. Ayurveda is one of the oldest schools of medicine in the world. Ayurveda is a healthcare system tuned with natural living. More than a medical system it is a way of life. The basic principles and medicines of Ayurveda found in the Hindu scriptures contain a series of prescriptions that can help humans overcome various ailments Ayurveda teaches one to live by nature following rules of nature in diet, exercise, and every part of being and doing. Ayurveda is an ancient Indian medical system. And has been developed by ancient sages.

Admission

Duration: 5 1/2 years

Eligibility: 10+2 passed with 50% in Physics, Chemistry, Biology and English.

Affiliation: RAJIV GANDHI UNIVERSITY OF HEALTH SCIENCES, Bangalore

As WHO has accepted Ayurveda as alternative medicine, one can do courses and practice Ayurveda medicine. BAMS (Bachelor of Ayurveda Medicine and Surgery) is a 5 1/2 years bachelor's degree offered by a university and approved by CCIM (Central Council of Indian Medicine) and the Department of AYUSH (Ayurveda, Yoga, Unani and Homeopathy). BAMS is designed for 5 1/2 years in this 4 1/2 years classroom training along with practical in Ayurveda hospitals and 1 year full-time internship.

BRANCHES OF AYURVEDA FOR FURTHER STUDIES.

- Kayachikitsa– Internal Medicine
- Shalakya Tantra – Ears, Nose, and Throat.
- Vishagaravairodh Tantra Toxicology
- Kaumarabhritya Pediatrics
- Shalya Tantra Surgery
- Bhuta Vidya – Psychiatry
- Vajikarana Aphrodisiacs
- Rasayana Rejuvenation

A BAMS graduate can do masters in any of the above said branches in any CCIM approved Ayurveda medical college.

CAREER OPPORTUNITY IN AYURVEDA

As Ayurveda is an accepted alternative medicine by WHO, there is a huge demand for Ayurveda doctors worldwide. As Ayurveda is rooted in treating the patient

rather than diseases, people from all over the world look forward to Ayurveda for its healing power where allopathic medicine fails to deliver.

- BAMS doctors can practice Ayurveda medicine his/her own.
- BAMS Doctor can set up an Ayurveda clinic
- A person who has completed BAMS can join any Ayurveda hospital. There is a dearth of qualified Ayurveda doctors in India.
- A BAMS completed graduate can do master's (MS) in any Ayurveda academic branch.

SCOPE OF AYURVEDA

Ayurveda is a complete or holistic system that integrates the mind, body and spirit. Divine plants that sustain long life and good health are now being rediscovered. Many renowned families of Vaidyas, who are specialized in certain branches of Ayurveda, are practicing ayurveda medicine in India. Today there is a revival of the ancient culture and traditions inherent to Ayurveda, which is a true gift of the ancient civilization to the modern world.
