

Sree Balaji Medical College And Hospital

📍 Chennai, Tamil Nadu, 1956

About

Sree Balaji Medical College & hospital has made rapid progress towards being recognized as a Medical school with high academic standards delivering quality health care with an emphasis on promoting social responsibility in its students. In keeping with the vision and mission of Bharath Institute of Higher Education and Research. Sree Balaji Medical College strives to generate competent and humane professionals empowered to face future challenges with ethical integrity.

Sree Balaji Medical College & Hospital is a constituent college of Bharath Institute of Higher Education and Research, Declared under section 3 of UGC Act, 1956. It is situated at Chromepet, Chennai. It is approved by Medical council of India , Ministry of Health and Family welfare, Govt of India, New Delhi. The college is situated in the heart of Chennai City and is close to the Chrompet Railway station, bus stand and Airport.

Sree Balaji Medical College & Hospital is a private, non profit, self financing medical Institution, pledged to the service of the community, catering to the healthcare needs of the people in general and especially to the needy, underprivileged, suffering section of humanity in particular.

The College and Hospital complex has been raised in an area of 30.89 acres, ideally located with salubrious surroundings. It is provided with state of art infrastructure in terms of its blocks of buildings, which include state of the art departments, laboratories, classrooms for students, separate quarters for staff and nurses besides equipment of the latest technological quality. Highly qualified and experienced staff, well-equipped laboratories, library, modern teaching aids and the hospital with huge patient flow, thus exposing students to various Medical and Surgical conditions are some highlights of the college.

We strive to offer the best of health care services to society and train students to develop into highly trained, knowledgeable, research-oriented and competent medical personalities and doctors.
