About

GITAM Institute of Medical Sciences and Research (GIMSR), Visakhapatnam, is a premier private medical college established in 2015 under the umbrella of GITAM (Deemed to be University). Located in the scenic Rushikonda area of Visakhapatnam, Andhra Pradesh, GIMSR is recognized by the National Medical Commission (NMC) and is known for its modern infrastructure, experienced faculty, and strong emphasis on clinical training and medical research.

The institute offers MBBS, MD, and MS programmes across various medical specialties. GIMSR follows the Competency-Based Medical Education (CBME) curriculum prescribed by the NMC, providing students with early clinical exposure, simulation-based learning, community health training, and research opportunities. The college is supported by a well-equipped teaching hospital that offers extensive patient care services and hands-on clinical experience.

The campus features advanced laboratories, modern lecture halls, digital libraries, hostels, sports facilities, and a multi-specialty teaching hospital. GIMSR Hospital has received NABH accreditation and offers comprehensive healthcare services with advanced medical infrastructure, including operation theatres, intensive care units, and specialized treatment centres.
