

SUBHARTI DENTAL COLLEGE

📍 Meerut, Uttar Pradesh, 1996

About

Welcome to Subharti Dental College, Meerut, a centre of education, research & highest level of clinical care. Here we cultivate in our students the values of shiksha (education) sewa (service) & sanskar (human values) Affiliated to Swami Vivekanand Subharti University, this college offers a variety of courses; Bachelor of Dental Surgery (BDS), Master of Dental Surgery (MDS), Diploma in Dental Machanic (DDM) & PhD in Dental Sciences.

Subharti Dental College was started under the umbrella of Subharti KK B Charitable Trust in the year 1996. “Subharti” is a manifestation of the ideas of Dr. Atul Krishna a noted surgeon of western Uttar Pradesh & Dr. Mukti Bhatnagar a reputed physician & medical imaging specialist. The idea of Subharti was born in the mind of Dr Atul Krishna when he was a young medical student of LLRM Medical College Meerut in 1974 as social service organization. In 1995 Subharti K K B Charitable Trust was established to give practical shape to dreams & aspirations of the team at Subhartipuram. The dental college was the first educational project of this dynamic group and it started functioning initially on the premises of Lokpriya

Hospital, a privately owned and hugely popular general hospital in Meerut.

The new campus was meanwhile taking shape on Delhi-Haridwar Bypass Road and the college was shifted here in 1999. Several other colleges came up on its premises including Subharti Medical College, Nursing and Physiotherapy colleges, an engineering and law college etc. In 2008, the Subharti group of institutions was finally awarded the status of a private University which is now a approx 200 acre educational township on the outskirts of Meerut city.

The university has been named the Swami Vivekanand Subharti University in respect and memory of that great Indian monk and teacher.

LECTURE HALLS AND AUDITORIUMS

A lecture hall is situated on each floor of the dental college. In total there are four lecture halls. The lecture halls are provided with modern gadgets such as LCD projectors, multimedia systems and slide projectors. There is an air-conditioned lecture hall with a seating capacity of over 200 with modern facilities. The university has two huge auditoriums where cultural events, annual days, meetings, inter-college events are held.

DENTAL MUSEUM

The college has a dental museum located on the second floor of the college building. In teaching dental subjects, the role of museums is exceptionally vital. The

specimens of skull and teeth give direct knowledge to students. The different specimens, and the educational models well arranged in the museum instil habit of observation and research. The different specimens made available in the museum of this college make the teaching enjoyable.

HOSTELS

The college is equipped with separate hostel facilities within the campus for both boys and girls. Recreational facilities including gymnasium are also provided.
