

SUBHARTI MEDICAL COLLEGE

📍 Meerut, Uttar Pradesh, 1996,

About

Netaji Subhash Chandra Bose Subharti Medical College (SMC) is a premier private medical college located in **Meerut, Uttar Pradesh**. Established in 1996, the college is a constituent institution of Swami Vivekanand Subharti University and is recognized by the **National Medical Commission (NMC)**. The college offers MBBS, MD, MS, DM, and MCh programmes and is attached to a large tertiary-care teaching hospital.

Subharti Medical College is one of the leading medical institutions in North India. The college emphasizes competency-based medical education, research, clinical training, and community healthcare. Modern lecture theatres, advanced laboratories, departmental libraries, and research facilities support the academic environment. The institution also conducts regular workshops, seminars, CMEs, and research activities for students and faculty.

Hospital and Clinical Exposure

The college is attached to **Chhatrapati Shivaji Subharti Hospital**, a major teaching hospital that provides extensive clinical exposure to students. The hospital offers multi-specialty and super-specialty services, emergency and trauma care, intensive care units, advanced diagnostic facilities, and a large patient inflow that supports practical medical training
