A.C.S Medical College & Hospital

Chennai, Tamil Nadu, 2008

About

The Faculty of Medical Sciences is an important department in the university and has a huge intake of students each year. The department comes fully equipped with a state-of-the-art laboratory, which makes it one of the best medical schools in Nigeria and other developing countries. The quality of education, infrastructural advantage and modern equipments are also some reasons why this university is very popular among students.
