

BAKSON HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL

📍 Gautam Buddha Nagar, Uttar Pradesh, 2002

About

Dr. Satinder Pal Singh Bakshi, a product of Nehru Homoeopathic Medical College, New Delhi, is known for his dedication and zeal to spread Homoeopathy as a scientific, alternative, effective and viable system of medicine in our country. By virtue of his professional standing and academic acumen, he became the youngest President of Central Council of Homoeopathy (Govt. of India) at the age of 39 years and occupied this coveted post for 18 years.

Homoeopathic education in India witnessed phenomenal change during his tenure, under his able guidance. He was not only instrumental in rationalising homoeopathic education in India but also introduced the concepts of quality and accountability in homoeopathic practice by initiating amendments to the Homoeopathic Practitioners (Professional Etiquettes, Conduct and Code of Ethics) Regulations.

Dr. Bakshi is the founder Chairman of Bakson Drugs & Pharmaceuticals Pvt. Ltd., a leading homoeopathic drug manufacturing and marketing company. Dr. Bakshi has also to his credit the establishment of a nationwide chain of Bakson's Homoeopathy Clinics known for treating various disorders, including Allergy. He has treated more than a million patients over his 38 years of long professional career.

To translate his dream of achieving excellence in homoeopathic education, Dr. S. P. S. Bakshi established Bakson Homoeopathic Medical College & Hospital, a renowned institute with a sprawling campus in lush green environment of Knowledge Park, Greater Noida. It confers degrees to budding doctors in the field of Homoeopathy at Undergraduate and Postgraduate level.
