## About

Health care world over has shifted towards more Natural methods of treatments & is now focusing on Holistic approach or the Mind Body medicine. New frontiers in Integrative medicine have proven beneficial to heal individuals more effectively & people are beginning to appreciate the benefits of using natural healing therapies. A 2008 study by the National Center for Complementary and Alternative Medicine (NCCAM) found 38 percent of adults and 12 percent of children in the U.S. use some form of alternative medicine.

Naturopathic medicine is based on the concept of treating the body with Panchamahabhuthas that is Earth, Water, Fire, Air and Ether which forms the basic constituents of the body. Naturopathy promotes the body to rejuvenate and recover by facilitating its own healing capacity by providing and enabling a

favorable internal mechanism in the physical and mental sphere, revitalize and rejuvenate the body and strengthen the immune system against the disease causing agents present in and around individuals. It also educates and empowers individuals to make lifestyle changes necessary for the best possible health.

Yoga is now worldwide accepted evidence based system of healing owing to its holistic & integrated concept of approach and suitability for all age groups. Its simplicity of application & cost effectiveness has brought a tremendous change in the Medical field. Both Naturopathy & Yoga work wonderfully in prevention, treatment & rehabilitation when scientifically applied. Their complementary nature, safety, lack of adverse effects, cost effectiveness & simplicity have made them popular in the medical fraternity & accepted in the world's best Health care setups.

Established in 2011 Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, Meerut is a constituent college of Swami Vivekanand Subharti University backed by the SKKB Charitable Trust.
