

AVADH INSTITUTE OF MEDICAL TECHNOLOGY & HOSPITAL

📍 Lucknow, Uttar Pradesh, 2010

About

Avadh Institute of Medical Technologies and Hospital was formally established in December, 2004. It is located near village Paikramau, Kursi Road, Lucknow in Uttar Pradesh (226007), India. It is governed by AL-MILLAT foundation trust. Our students acquire generic set of skills with the help of the top-notch faculty, latest technology and learning tools at their disposal. Our students are trained with world class competency and cutting edge proficiency to face the professional world with confidence.

To be a center of excellence in teaching, training, research, innovation and medical care facilities by attracting best talents, brains and man power for the benefit of the

society as a whole.

Our mission is to curate, create and disseminate knowledge and academic excellence so as to produce graduates and postgraduates who are fully prepared to achieve highest level of personal and professional distinction.

At **Avadh Institute of Medical Technologies and Hospital**, you have an opportunity to discover what inspires you.

NURSING

PHARMACY

PARAMEDICAL

Facilities

CAMPUS

The sprawling campus spread over 15 acres of land with fully ventilated building and open area for garden and sports activities.

The campus is Wi-Fi enabled.

CLASS ROOMS

The class rooms are equipped with high tech facilities like technical learning tools (audio-visual aids) and high speed internet connectivity.

HOSTELS

Our hostels are preferred residential option for the students. The college provides separate residential facility for boys and girls that includes food, laundry and recreational facilities. The hostel has full time residential wardens and caretakers to look after the residential logistics.

AUDITORIUM

The students have a very fascinating fully air-conditioned, state-of-the-art auditorium and seminar rooms equipped with the latest audio visual facilities for seminars, guest lectures, conferences and presentations.

LABS AND WORKSHOPS

The college has well-furnished and spacious laboratories with all experimental set up.

- Nursing and Fundamental lab.
- Nutrition and Community lab.
- Anatomy and Physiology lab.
- Bio-Chemistry, Pathology and Microbiology lab.

CANTEEN/CAFETERIA

The students have access to healthy and hygienic food at subsidized rates within the college campus. Regular inspection for quality check is conducted by the quality commitment team to keep check on the nutritional value and quality of food served. The ambience of the canteen makes the learning experience more enjoyable and relaxing, hence becomes the hub for out-of-class discussions and exchange of information. The students get a home away from home within the premises of the college.

HOSPITAL

A 100 bedded hospital provides hands-on training to the trainees. The students have an advantage of full time medical assistance for their routine health issues.

SPORTS AND WELLNESS

We believe in playing hard and working harder. We make our students ready for the challenges ahead through mental and physical fitness. Our academics is complemented by competitive athletics.

LIBRARY FACILITY

Our students have an access to our central library which is well stocked with large number of books and journals and is fully-computerized. The vital key for developing ones individual potentiality is certainly access to information therefore the library has subscribed newspapers, periodicals and journals (both national and international) so as to keep our students well informed and well-read.

COMPUTER LABS

The College has a well-furnished computer lab with modern equipped terminals and loaded with high-end softwares pertaining to the courses. There is 24 hours power backup. The campus is Wi-Fi enabled.

TRANSPORT

We provide well maintained buses for pick and drop of our students and staff that are managed by our courteous and efficient staff. All the transport related services are under the supervision of the transport officer.

BIOMETRIC ATTENDANCE

Fingerprint based attendance software for students attendance. Auto data download feature in the machine. SMS notification feature to update parents.
