Facilities

The institute has hitech labs equipped with modern instruments & machines. Various labs, like Dental Materials, Pre Clinical Conservative, Pre Clinical Prosthetics, Dental Anatomy, Oral Pathology etc. are available for effective learning, to learn and understand the disease process at a micro level, and also to improve the manual skills before they treat the patients.

The library is spread over an area of more than 10,000 sft with separate UG&PG reading areas, staff reading area, journal section, xerox facility, and E-Library

facility.

Lecture theatre well ventilated and equipped with LCD and OHP projectors and audio-visual equipment.

CKS Teja Institute of Dental College has separate hostels for boys and girls with well furnished rooms and modern amenities. The overall atmosphere is very conducive for the students to concentrate on their studies. We ensure that students dwell in a healthy environment that helps them to grow and learn without any obstacles.

CKS Teja Institute of Dental College has separate Out Patient Department (OPD) for daily OPD of patients. Students are exposed to a wide variety of cases to improve their academic and clinical skills. The OPD is fully functional with state of the art equipments for diagnosis & treatment.
